Mr. Robert Lynch  
17 Elizabeth Street  
Peaks Island, Maine 04108

Dear Mr. Lynch:

This is in reference to your recent application for a building permit for an accessory green house building for the single family house belonging to Walter Krause of Kensington, Connecticut. We tried to reach you by phone, but there was no response.

The plot plan submitted for the green house structure does not indicate setbacks for the proposed construction in relation to the existing house and lot lines. Information has been submitted regarding maximum lot coverage when the building is added to the residence. Please amend your plot plan accordingly.

Sincerely,

*Warren J. Turner*
