Russell Marcia

1-27-77

Ernold R. Goodwin, R. S. LPS

Allen Barker Property, Little Diamond Island

Russ:

Reason for closeness to ocean is the fact that the rest of his property has outcropping of ledge and this land juts out into ocean to a peak. This is to replace the overboard discharge to the existing summer cottage. I would recommend that this system be approved using the Rand Disposal System.

Ernold R. Goodwin, R.S. LPS
