MAINE DEPARTMENT OF ENVIRONMENTAL PROTECTION  
APPLICATION  
RESIDENTIAL WASTE WATER DISCHARGE LICENSE  
BUREAU OF LAND & WATER QUALITY

GENERAL INSTRUCTIONS

Please read the entire application form before furnishing any information. If you need assistance in filling out the form or have any questions, please contact your project manager. Be sure to include all the information required as Supplemental Materials on Page 5.

Please be sure to read and follow the instructions on Page 4 regarding Public Notice. Public Notice is required by law for all DEP licensing actions.

After completing the application, please submit one copy, including attachments, to the town or city municipal office where the discharge occurs. Mail the original application with attachments to

the *Overboard Discharge Licensing Program*, Department of Environmental Protection, State House Station 17, Augusta, Maine 04333-0017. Please retain a copy for your own records:

It is the licensee's responsibility to renew or transfer their waste water discharge license or permit. Failure to renew or transfer the license or not submitting a timely and complete application may result in termination of a license and/or enforcement action. Applications for transfers, and renewals and transfers are available from the DEP office in Augusta.

INSTRUCTIONS FOR PUBLIC NOTICE

Applicants for DEP licensing actions are required to provide adequate public notice. By following these instructions you will meet the public notice requirements.

1. Complete the NOTICE OF INTENT TO FILE form below.
2. Send a copy of the completed NOTICE to a paper circulated in the area of the overboard discharge being licensed, to be published in the legal advertisements section in one issue within 30 days of the filing of the application. If you are not familiar with the local newspaper(s), the town or city clerk may be able to help you. The clerk may be able to give you the phone number. If not, call information at (207)555-1212. If you are unable to locate any newspaper, please call your project manager for assistance
3. Send a copy of the completed NOTICE by certified mail to the owners of the property abutting the land with the overboard discharge within 30 days of the filing of the application. The town or city clerk and/or the tax assessors office will be able to assist you in identifying abutters and will be able to give you their most recent address.
4. Send a copy of the completed NOTICE and a copy of the completed application by certified mail to the town clerk or city clerk of the municipality where the overboard discharge is located.
5. Send the completed original application (blue form) to the DEP with the application fees and any supplemental materials.

If you have questions about the public notice requirements, please do not hesitate to call your project manager at the telephone number on the first page of the application.

## SUPPLEMENTAL MATERIALS

The following required supplemental materials will be considered part of this application. Your application will not be accepted for processing until you have submitted all the materials checked (✓) below.

- Application Fees:** Submit the processing and license fees specified on page 1. Please make check payable to Treasurer State of Maine. Please note, these fees are for the processing and rights granted to you by the license only. The licensing and processing fees do not include the annual inspection fees.
- Geographic Site Map:** Submit a U.S. Geological Survey map or U.S. Coastal and Geodetic Survey map (7 1/2 or 15 minute series) illustrating the location of your waste discharge. Indicate the location of your property and discharge point on the map as accurately as possible. U.S. Geological Survey maps are available at local sporting goods and book stores.
- Municipal Tax Map:** Submit a copy of a tax map from the Tax Assessor's office in the town or city where your waste discharge occurs. The tax map should identify the map and lot number of your property as well as the names of abutting landowners. If possible, indicate property line dimensions, the location of walls, dwellings and the overboard discharge system.
- Site Evaluation Report:** A site evaluation of your property, conducted in accordance with the State of Maine Subsurface Waste Water Disposal Rules, is required. The evaluation must be conducted by a licensed Site Evaluator and must be completed on HHE-200 form pages 1 and 2 for the purpose of determining whether subsurface disposal is possible. The Site Evaluator may use the replacement system criteria of the Disposal Rules to make the determination. You can obtain a list of licensed Site Evaluators from your local plumbing inspector.
- Proof of Title, Right or Interest:** Submit evidence of ownership or of interest in the property on which the overboard discharge system is located. A copy of the deed or references to the registry of deeds book and page number is required for owner.
- Property Easements:** If any part of your overboard discharge system, including the discharge pipe, is located on property owned or controlled by another party, submit a copy of the easement granting the rights to use that property.
- Service Contract:** If any part of your overboard discharge system is a mechanical treatment plant, submit a copy of a valid service contract entered into with a qualified maintenance contractor approved by DEP.
- Certification of Good Standing:** Submit this document issued from the Secretary of the State of Maine (required for corporations only).
