BOARD OF APPEALS

MISCELLANEOUS APPEAL

Albert H. Gilbert, owner of property at 7 Chamberlain Avenue

requests the Board of Appeals to permit increasing length and width of garage attached to dwelling at this location so as to increase its size from 10½ feet by 20 feet to 13 feet by 24 feet. This permit is presently not issuable because the front wall of garage is only 47 feet back from the street line and the addition is to be only 3 feet from the side lot line, a side yard clearance which is not allowable under Section 19-K of the Zoning Ordinance unless the garage is at least 50 feet back from the street line.

APPEAL BASIS OF APPEAL:

Such permit may be granted only if the Board of Appeals finds that enforcement of the terms of the Ordinance would result in undue hardship and desirable relief may be granted without substantially departing from the intent and purpose of the Ordinance.

*Albert H. Gilbert*  
APPELLANT

DECISION

At a public hearing held November 12, 1959, the Board of Appeals finds that enforcement of the terms of the Ordinance would result in undue hardship and desirable relief may be granted without substantially departing from the intent and purpose of the Ordinance.

It is therefore determined such permit should be issued.

This permit is presently not issuable because the front wall of garage is only 47 feet back from the street line and the addition is to be only 3 feet from the side lot line, a side yard clearance which is not allowable under Section 19-K of the Zoning Ordinance unless the garage is at least 50 feet back from the street line.
