Gentlemen:

Permit to finish off recreation room in the basement at the above location is issued herewith, but subject to the following conditions:

- before any covering is placed on walls or ceilings this department must be notified and "closing-in" inspection made.
- no part of the new work in which combustible materials are used is to be closer to heating appliances, smoke-pipes, or chimneys than required clearances from such materials as defined under the Building Code of the City of Portland. In event of any doubt as to these required clearances inquiry should be made at this office.
