10/23/33 - Suggested to Mrs Sullivan that she should be provided over a shorter section of smoke pipe close to chimney which is only about 10' below wood work. She said that she would have it done. Burner sits on rubber dunnies and is very loose. A.G.S.

10/25/33 - Mr. Slinton said he would have matters attended to. A.G.S.

Location, ownership, and detail must be correct, complete and legible. Separate application required for every building.
