AP 115 Codman Street

May 12, 1951

Mr. J. H. Kennedy
105 Preble Street
Portland, Maine

Copy to, Mr. R. D. Cushman
115 Codman Street

Dear Mr. Kennedy:

Building permit for construction of one story addition to existing garage at 115 Codman Street, corner of Clifton Street, is issued herewith based on the plan filed with the application and subject to the following:

1. Unless a footing at least 12" deep and 16" wide is to be provided, the foundation walls are required to be no less than 8" thick at the top and 10" at the bottom as noted on the plan instead of straight 8" thick as given in the application. Permit is issued on the basis that construction in compliance with Building Code requirements will be provided.
2. Sills are required to be at least 4x6, all one piece in cross section, as shown on plan instead of 2x4 as given in the application. Sill should be bolted to foundation wall as indicated.
3. The use of 2x4 rafters as indicated in application instead of 2x6 as shown plan is permissible.

Very truly yours,

Warren McDonald
Inspector of Buildings
