BUILDING & INSPECTION SERVICES

Date June 24, 1974

With relation to permit applied for to demolish a garage  
at 105-107 Woodfords St, it is unlawful  
to commence demolition work until a permit has been issued from  
this department.

Section 6 of the Ordinance for rodent and vermin control  
provides: "It shall be unlawful to demolish any building or  
structure unless provision is made for rodent and vermin  
eradication. No permit for the demolition of a building or  
structure shall be issued by the Building Inspection Department  
until and unless provisions for rodent and vermin eradication  
have been carried out under supervision of a pest control  
operator registered with the Health Department.

The building permit for demolition cannot be issued until the  
provisions of this section have been satisfied. It is the  
obligation of owner or demolition contractor or both to take  
up with the Health Department the matter of complying with this  
section, being prepared to inform that department what registered  
pest control operator is to be employed.

Very truly yours,

Mr. Edward Palmer

Portland, Maine 04103

RE: 115 Woodford Street

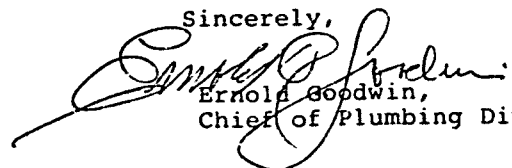

Dear Sir;

On March 15, 1983 your sewer system was tested for malfunction with a dye being placed in the toilet bowl and flushed through system. At 2:00 P.M. Mr. Williams found a definite green dye in the rear yard at 93 Woodfords Street, this proves a definite malfunction of your system creating a health hazard.

You were previously requested to remedy this malfunction by letter from Mr. John E. Vandoloski, Environmental Health Administrator, where as you have failed to make any effort to correct this health hazard, and an inspection of said location of point of malfunction to your private sewer line this date May 4, 1983 still shows nothing has been done. You are hereby directed to make a connection to the City sewer on Woodford Street within 15 days of date of this letter to correct this health hazard.

Failure to do so will result in legal action by the department and Health Office. We will again inspect this location on May 19 th before such action is taken.

Sincerely,

  
Errol Godwin,  
Chief of Plumbing Division
