CITY OF PORTLAND, MAINE
IN THE BOARD OF APPEALS

MISCELLANEOUS APPEAL

Delta Realty Company, Inc. owner of property at 977-1003 Forest Avenue
under the provisions of Section 24 of the Zoning Ordinance of the City of Portland,
hereby respectfully petitions the Board of Appeals to permit: to construct a 1-story
80' x 40' cement block addition to the existing building to be used as a
repair garage at the above named location in the I-2 Industrial Zone. This
permit is presently not issuable under the Zoning Ordinance because the rear
yard of only 5' is to be provided instead of the required 18'. (Sec. 602.12C.4).

LEGAL BASIS OF APPEAL: Such permit may be granted only if the Board of Appeals find
that enforcement of the terms of the Ordinance would result in undue hardship and
desirable relief may be granted without substantially departing from the intent and
purpose of the Ordinance.

Carl P. Sward
APPELLANT

DECISION

After public hearing held July 13, 1972, the Board of Appeals finds that
enforcement of the terms of the Ordinance would result in undue hardship and
desirable relief may be granted without substantially departing from the intent
and purpose of the Ordinance.

It is, therefore, determined that such permit may be issued.

Dear Mr. Christian:

We are unable to issue a permit to construct a 1-story cinder block and brick building 78'2" x 28' as per plans because of the following Building Code discrepancies or omissions.

- o.k. 1. The ventilation of toilet rooms not indicated.
- o.k. 2. Brick ties not shown.
- o.k. 3. No headers shown over windows. *sign above*
4. Who will supply the roof trusses? *FOY*
5. Section B shows 2x10 floor joists resting on a flat member on the existing foundation wall. This bearing is to be no less than 4" in width. WAIT THIS
- o.k. 6. We are assuming the existing foundation walls are at least 10" in thickness. The Building Code requires them to be 10" in thickness if a cellar or basement is to be provided.

CITY OF PORTLAND, MAINE
IN THE BOARD OF APPEALS

VARIANCE APPEAL

Delta Realty Co., owner of property, at 977-983 Forest Ave. under the provisions of Section 24 of the Zoning Ordinance of the City of Portland, hereby respectfully petitions the Board of Appeals for a variance from the provisions of said Ordinance to permit: and certificate of occupancy to construct a two-story 28 ft. x 72 ft. 6 inches concrete addition at the above named location for offices on the first floor and three apartments on the second floor. This permit is presently not issuable under the Zoning Ordinance for the following reasons: (1) This property is located in an I-2 Industrial Zone where apartments are not allowable. (Section 602.12A). (2) Section 602.12.c.1 requires a 19 ft. side yard instead of the 5 ft. which is shown on plans.

LEGAL BASIS OF APPEAL: Such variance may be granted only if the Board of Appeals finds that the strict application of the provisions of the Ordinance would result in undue hardship in the development of property which is inconsistent with the intent and purpose of the Ordinance; that there are exceptional or unique circumstances relating to the property that do not generally apply to other property in the same zone or neighborhood, which have not arisen as a result of action of the applicant subsequent to the adoption of this Ordinance whether in violation of the provisions of the Ordinance or not; that property in the same zone or neighborhood will not be adversely affected by the granting of the variance; and that the granting of the variance will not be contrary to the intent and purpose of the Ordinance.

APPELLANT

DECISION

After public hearing held December 30, 1971, the Board of Appeals finds that all of the above conditions do exist with respect to this property and that a variance should be granted in this case.

It is, therefore, determined that a variance from the provisions of the Zoning Ordinance should be granted in this case.

Gentlemen:

Building permit and certificate of occupancy to construct a two-story 28 ft. x 72 ft. 6 inches concrete block addition at the above named location for offices on the first floor and three apartments on the second floor is not issuable under the Zoning Ordinance for the following reasons:

1. This property is located in an I-2 Industrial Zone where apartments are not allowable. (Section 602.12A).
2. Section 602.12.d.1 requires a 19 ft. side yard instead of the 5 ft. which you show on your plans.

We understand that you would like to exercise your appeal rights in this matter. Accordingly, you or your authorized representative should come to this office in Room 113, City Hall to file the appeal on forms which are available here. A fee of \$15.00 shall be paid for a variance appeal at this office at the time the appeal is filed.

CITY OF PORTLAND, MAINE
IN THE BOARD OF APPEALS

December 20, 1971

TO WHOM IT MAY CONCERN:

The Board of Appeals will hold a public hearing in Room 209, City Hall, Portland, Maine on Thursday, December 30, 1971 at 4:00 p.m. to hear the appeal of Delta Realty Co. requesting an exception to the Zoning Ordinance to permit and certificate of occupancy to construct a two-story 28 ft. x 72 ft. 6 inches concrete addition for offices on the first floor and three apartments on the second floor at 977-983 Forest Avenue.

This permit is presently not issuable under the Zoning Ordinance for the following reasons: (1) This property is located in an I-2 Industrial Zone where apartments are not allowable. (Section 602.12A). (2) Section 602.12.c.1 requires a 19 ft. side yard instead of the 5 ft. which is shown on the plans.

This appeal is taken under Section 24 of the Zoning Ordinance which provides such variance may be granted only if the Board of Appeals finds that the strict application of the provisions of the Ordinance would result in undue hardship in the development of property which is inconsistent with the intent and purpose of the Ordinance; that there are exceptional or unique circumstances relating to the property that do not generally apply to other property in the same zone or neighborhood, which have not arisen as a result of action of the applicant subsequent to the adoption of this Ordinance whether in violation of the provisions of the Ordinance or not; that property in the same zone or neighborhood will not be adversely affected by the granting of the variance; and that the granting of the variance will not be contrary to the intent and purpose of the Ordinance.

All persons interested either for or against this appeal will be heard at the above time and place, this notice of required public hearing having been sent to the owners of property within 500 ft. of the property in question as required by Ordinance.

Gentlemen:

Amendment for building permit at the above named location to construct a 2-story concrete block addition 28' x 72' is being issued subject to plans received with the application and in compliance with Building Code restrictions as follows:

1. Before form inspections are called for we will need to know how the 2x3 plate supporting the truss on the end of the building is to be anchored to the wall. We will also need to know how the 2x10 floor joists at the second floor level, where they rest on concrete blocks are to be anchored to the wall. The second floor joists as well as the first floor joists will need to rest on at least a 3" member. At the second floor level for example you show a flat 2x4 with an upright 2x10 so that this floor joist rests on only approximately 2" as it abuts against the wall. A 2x2" ledger on the girder supporting the floor joists at the first floor level will need to be a 2x3" member.
2. The brick veneer will need to be tied to the concrete blocks by metal wall ties spaced not more than 16" o. c. at every fifth course of bricks. A single 16 gauge tie or better may be used.
3. (Trimmers) Double joists) are required around all framing for stairway openings, etc.
4. Floor joists running parallel to non-bearing partitions and intended to support them, shall be double when the span of the supporting joist is 10' or more. Such double joists may be either well spiked together or separated with not more than 6" between spaces; if they are separated, solid bridging as deep as the joist shall be placed not more than 16" o. c.
5. A separate permit to be taken out by the actual installer is required for all heating units.

Jan. 12, 1972

6. We will need a plan showing all structural members and the location of the fire escape on the back side of this addition. There must be at least one double hung window to be located in the rear wall approximately in the center on the other side of the corridor from Apartment 2. If you have any questions on this please contact this office so that we or the field inspector in the field may go over this with you.

7. A solid core door of at least 1-3/4" will be needed to Apt. 3. This solid core door and the solid core door leading to the stairway at the other end of this section will need door closers.

Very truly yours,

A. Allan Soule
Assistant Director

DEPARTMENT OF BUILDING INSPECTION

Merrill Industries
1037 Forest Ave.
Portland Maine

October, 1969

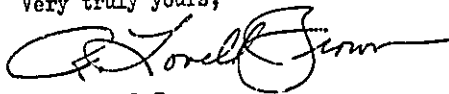

Gentlemen:

With relation to permit applied for to demolish a building or portion of building at #979 Forest Ave. it is unlawful to commence demolition work until a permit has been issued from this department.

Section 6 of the Ordinance for rodent and vermin control provides: "It shall be unlawful to demolish any building or structure unless provision is made for rodent and vermin eradication. No permit for the demolition of a building or structure shall be issued by the Building Inspection Department until and unless provisions for rodent and vermin eradication have been carried out under supervision of a pest control operator registered with the Health Department.

The building permit for demolition cannot be issued until the provisions of this section have been satisfied. It is the obligation of owner or demolition contractor or both to take up with the Health Department the matter of complying with this section, being prepared to inform that department what registered pest control operator is to be employed.

Very truly yours,
