CITY OF PORTLAND, MAINE  
BUILDING & INSPECTION SERVICES

Date 28 February 1974

With relation to permit applied for to demolish a chicken house  
at 74 College St it is unlawful  
to commence demolition work until a permit has been issued from  
this department.

Section 6 of the Ordinance for rodent and vermin control  
provides: "It shall be unlawful to demolish any building or  
structure unless provision is made for rodent and vermin  
eradication. No permit for the demolition of a building or  
structure shall be issued by the Building Inspection Department  
until and unless provisions for rodent and vermin eradication  
have been carried out under supervision of a pest control  
operator registered with the Health Department.

The building permit for demolition cannot be issued until the  
provisions of this section have been satisfied. It is the  
obligation of owner or demolition contractor or both to take  
up with the Health Department the matter of complying with this  
section, being prepared to inform that department what registered  
pest control operator is to be employed.

Very truly yours,

R. Lovell Brown  
Director

Owner: William A. Dow Contractor: owner  
Address: same Address: \_\_\_\_\_

Health Department comments: 3-4-74 Inspection this date  
revealed no evidence of rodent activity

Memorandum from Department of Building Inspection, Portland, Maine

74 College Street—Construction of 14-foot long dormer on front of dwelling  
for William A. Dow & Lorena MacDonald by Ivan S. Bryan—  
10/25/49

Permit for construction of dormer window is issued herewith. In order to figure out the 2x6 rafters must be spaced no more than 18" on centers instead of the 24" given in application and the permit is issued on the basis that this will be done.

No information is given as to the existing second floor framing, but strengthening must be provided unless it is such as to provide a carrying capacity of 40 pounds per square foot. This matter will be checked at the time of the "closing-in" inspection.
