Dear Mr. Pelosi:

Upon inspection of the above job on Jan. 28, 1970 the following defects were found:

1. Tank not enclosed with well bonded joints, and filled with sand.
2. Firematic fuel valve must be on outside of enclosure.
3. Low water cut off not working properly, this must be repaired or replaced.

It is important that correction of these conditions be made before Feb. 24, 1970, and notification be given this office of readiness for another inspection.

If additional information relative to the above is desired, please phone Inspector Malcolm Ward at 774-8221, extension 235 or 236.

Very truly yours,

To the INSPECTOR OF BUILDINGS, Portland, Maine

The undersigned hereby applies for a certificate of occupancy to allow the use of the above named premises for Used Car Lot

as set forth on the attached site plan (made by John Pelosi whose address is 53 Massachusetts Ave.) to show compliance with the Zoning Ordinance according to the intended use and the zone in which the property is located; and in accordance with the following pertinent information:-

Owner (name, address and phone number) Thomas & John Pelosi, 53 Massachusetts Ave.

Lessee (name, address and phone number) " " " "

Is proposed use to be accessory to a building or other use on this lot? no
If so, what is use of building or other use no

If off-street parking is sought, what is proposed maximum number of vehicles to be parked--passenger cars? 18, commercial vehicles? .

Have you secured on the site plan the written approval of existing and proposed entrances to and exits from the premises for vehicles over public sidewalks by the Traffic Engineer (Dept. of Public Works)?
And, if access to the premises is available from more than one street, have you secured similar approval by the Planning Board?

Have you shown on the site plan the true location of all trees on the public street along the frontage of the premises (both streets if a corner lot)?

Do you propose to remove or disturb any tree on a public street? no
If so, have you secured on the site plan the written approval of the Director of Parks and Recreation?
