Memorandum from Department of Building Inspection, Portland, Maine
 167 Murray St. — Construction of chimney for garage for William Burg by
 Antonio Nobbe, builder

To Owner and Builder:

Please note that a permit from this department is required before this garage heater is set up or connected to the flue. Application for permit should state the make, name and type number of the heater, so that we make check before issuing the permit against the list of approved garage heaters which we have from the fire department.
