Re: 19 Arundel Road

Frank Manzo
19 Arundel Road
Portland, Maine

It has come to the attention of this department that you have added a back porch and a bulk head onto the house.

It is necessary that you apply for a building permit within 10 days not later than May 31, 1978 that further action by this department will not become necessary. A plot plan showing the location of the addition should be submitted along with a structural plan of the addition and bulk head.

Failure to comply could result in a fine of \$100.00 to \$1000.00 for each day of the violation. Now that this matter has been brought to your attention it is hoped that we may have your complete co-operation that any further action by this department will not become necessary.

Should you have any questions do not hesitate to contact this office and talk with myself or Mr. Brown or Mr. Smith or Mr. Ward.

Because the work has been completed without a building permit an additional belated fee of \$25.00 is required to be paid in addition to the permit fee.

Very truly yours,

Hubert Irving
Building Inspector
