Dear Mr. Sawyer:

I would call it to your attention that the final inspection for this building has not been made by this department and the required certificate of occupancy has not been issued. The Building Code states in part under Section 310.1, that: it shall be unlawful to occupy a building, structure or part thereof involved until the work has been inspected, tested, and found to comply with the requirements of the Portland Building Code, the Zoning Ordinance, and other laws enforced in the City relating to the same subject matter, and until the signed certificate of approval, use or occupancy is left on the premises involved or sent to the owner.

It is therefore necessary that you contact Mr. Sam Hoffses, here in this office in City Hall to make arrangements with him to inspect your building at the above location.

Very truly yours,

A. Allan Soule
Assistant Director
