Appeal to the Municipal Officers to Change the Decision of the
Inspector of Buildings Relating to the Property Owned
by Hazel L. Penderter at 12 Kenilworth Street

November 4 19 29

To the Municipal Officers.

Your appellant, Hazel L. Penderter
who is the owner of property at 12 Kenilworth Street
respectfully petitions the Municipal Officers of the City of Portland to change the decision of
the Inspector of Buildings relating to this property, as provided by Section 13, Paragraph c
of the Zoning Ordinance, on the ground that the enforcement of the ordinance in this case
involves unnecessary hardship and because relief may be granted without substantially derogating
from the intent and purpose of the Zoning Ordinance.

The decision of the Inspector of Buildings denies a permit to erect
a two car garage on the lot at 6-12 Kenilworth Street on the ground
that this property already has two two car garages upon it with a total
capacity of four cars which is already one car in excess of the limit
permitted in the General Residence Zone where the property is located.

The reasons for the appeal are as follows: There is upon this property
a two family dwelling house, and the cars owned by the present
tenants of this dwelling house are more than can be accommodated with
the present garage facilities.

November 25, 1929

Mrs. Hazel L. Pondexter
12 Kenilworth Street
Portland, Maine

Dear Madam:

On November 26th the Board of Municipal Officers sustained your appeal with relation to the construction of a 2-car garage on the property at 2-12 Kenilworth Street, and ordered the permit to be issued subject to full compliance with the Building Ordinance.

If you will have your contractor stake out the garage upon the property, and will have him notify this office when the staking out is done, we will check the location promptly and if in compliance with the Ordinance the permit will be issued without delay.

Very truly yours,

Inspector of Buildings.

IN THE BOARD OF MUNICIPAL OFFICERS

November 21, 1929

To the Board of Municipal Officers:

The Committee on Zoning and Building Ordinance Appeals to whom was referred the appeal of Hazel L. Pendexter with relation to the construction of a 2-car garage on the property at 2-12 Kenilworth Street, reports as follows:

A public hearing has been held upon this appeal at which no opponents appeared.

It is the belief of this Committee that failure to grant this permit involves unnecessary hardship, and that desirable relief may be granted without substantially derogating from the intent and purpose of the Zoning Law Ordinance. Recommended that the appeal be sustained and the permit granted subject to full compliance with the terms of the Building Ordinance.

COMMITTEE ON ZONING AND BUILDING
ORDINANCE APPEALS.

November 19, 1929

PUBLIC HEARING UPON THE APPEAL OF HAZEL L. PENDEXTER
AT 2-12 KENILWORTH STREET.

A public hearing upon the above appeal was held before the Committee on Zoning and Building Ordinance Appeals Friday afternoon, November 15th.

Mr. Boyd, and the Inspector of Buildings were present for the City, and Mrs. Pendexter was present in support of her appeal. No opponents appeared.

Mrs. Pendexter stated that she owned or controlled three lots at this location all facing upon Kenilworth Street, that she had a two family dwelling house and a 2-car garage on one of the lots, and a 2-car garage on another lot adjoining this one. She said that she planned to build a 2-car garage on the dividing lines between these two lots, ~~on the~~ feeling that she was entitled to storage for three cars for each lot.

The Inspector of Buildings explained to Mrs. Pendexter that the requirements of the Zoning Law gives the right to store three cars upon each lot only when there is a dwelling house or some other habitation on the same lot to which the garage may be accessory.

Inspector of Buildings.

Mrs. Hazel L. Pondexter

Portland, Maine

Dear Madam:

The Committee on Zoning and Building Ordinance Appeals of the Board of Municipal Officers will hold a public hearing at Room 35, City Hall, Friday, November 15th at four o'clock in the afternoon upon your appeal seeking a change in the decision of the Inspector of Buildings with relation to the construction of a garage at 12 Konilworth Street.

You should be present or be represented at this hearing in support of your appeal as failure to be so represented will be considered equivalent to withdrawal of the appeal and so reported to the Board of Municipal Officers.

November 12, 1929

To Whom It May Concern:

The Committee on Zoning and Building Ordinance Appeals of the Board of Municipal Officers will hold a public hearing at Room 35, City Hall, Friday, November 15th at four o'clock in the afternoon, upon the appeal of Mrs. Hazel L. Pondexter with relation to the construction of a two car garage at 12 Kenilworth Street.

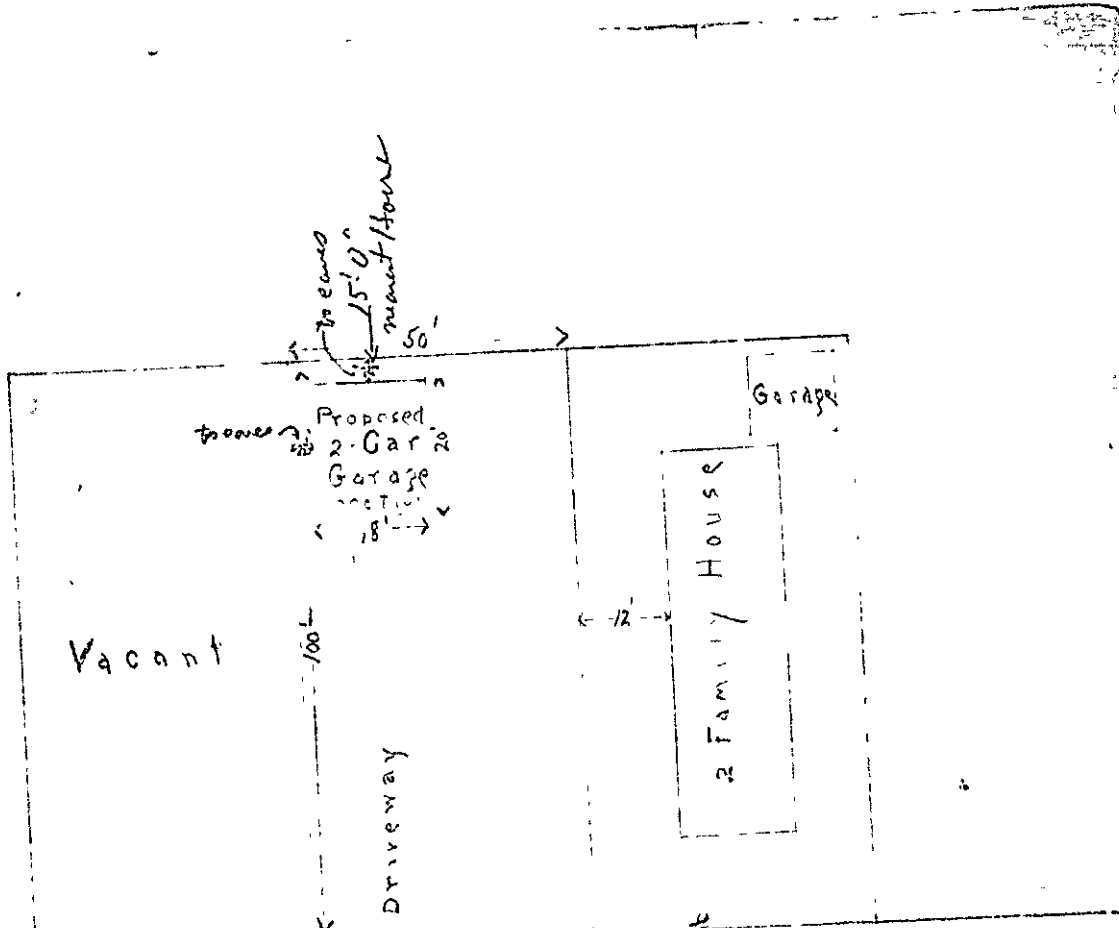

The appellant owns or controls the lot on the corner of Brighton Avenue and Kenilworth Street, and two lots adjoining the corner lot and fronting upon Kenilworth Street including the two family dwelling at 12 Kenilworth Street. There are already two 2-car garages upon this property. The appellant desires to build an additional two car garage 18' x 18' between the two existing garages thus making a total capacity upon the entire property of six cars for storage. The application for the permit has been denied because a total capacity of three cars is the maximum set by the zoning law in the General Residence Zone where the property is located.

All persons interested either for or against this appeal will be heard at the above time and place.
