NOTES

Permit No. 77-10180
Location 179-b-20-21
Owner M. J. Brown
Date of permit 4-1-77
Approved 4-7-77

Somehow this building was erected & completed because of gross confusion & changes by M. J. Brown of 2nd floor of 2nd floor. This was all completed when I returned the area.

I took all the folders & sit down with Mr. Cope the developer & had him acquire related permits for all the houses erected etc. Mr. Brown waived related penalty fees & everything was corrected.

June 15/77 These lots are so hopelessly messed up that even Mr. Cope & I give all his permits to the architect and it appeared there was confusion by him, trying to copy spec his matter deal by permit plan in this house to be erected throughout & is about completed. I inspected this building throughout. I double checked around fire place with 2" clearance as required.
