

#2.

regular size house lot 50 x 100 ft.
I think it should remain so.
and anyone desiring to operate
such a home should, at least,
have extra lots of land

May I add, as neighbors, they
are friendly - but I have not, nor
do I now (approve of the present
use of said property - and if the
appeal is granted and the zoning
changed it might serve as a
precedent for others. Therefore I
protect the appeal.

Respectfully -
