RE: 46 Columbia Road

Dear Mr. Merrill,

Permit to construct a 10' x 16' open deck is issued as per sketch, using 10" sonotubes 4' below grade with 2x8 floor joists 16" o.c. notched over a 2x3 nailing strip on the 4x6 (all one piece in cross section set with the 6" dimension upright). While the permit specifies a 2x10 header over the opening of the sliding glass door, I believe you mean to use a double 2x10 over that 6' opening.

Very truly yours,

Earle S Smith
