Dear Sirs:

Re: 96-98 Columbia Road
Portland, Maine 181-D-25826

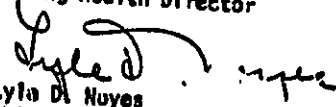

Your property has been surveyed by the Portland Housing Inspection Division Health Department and has met Minimum Code Standards. Congratulations are extended to you for the general condition of your property. Good maintenance is the best way to preserve the useful life of your property and neighborhood.

In order to aid in the preservation of Portland's existing housing inventory, it shall be the policy of this department to inspect each residential building at least once every five years. Although a property is subject to re-inspection at any time during the said five year period the next regular inspection of this property is scheduled for November 1979.

If we can be of further help please feel free to call on us.

Sincerely yours
