Re: 20 Groveside Road

Dear Mr. Banks:

Your permit to install a 18' x 36' inground pool at 20 Groveside Road, as per plans on file in this office, is being issued with the following requirement:

- (1) Section 627.9 Swimming pool safety devices: Every person owning land on which there is situated a swimming pool, which contains 24 inches or more of water depth at any point shall erect and maintain thereon an adequate enclosure either surrounding the property or pool area, sufficient to make such body of water inaccessible to small children. Such enclosure, including gates therein, must be not less than 4 feet above underlying ground. All gates must be self latching with latches placed 4 feet above underlying ground. All gates must be self latching with latches placed 4 feet above the underlying ground and otherwise made inaccessible from the outside to small children.

A natural barrier, hedge, pool cover or other protective device approved by the governing body may be used so long as the degree of protection afforded by the substituted devices or structures is not less than the protection afforded by the enclosure, gate and latch described herein.

- (2) Electrical and plumbing permits must be obtained.

If you have any questions on these requirements, please call this office.

Sincerely,

P. S. Hoffges
