We are unable to issue permit to construct a 10'x12' open porch on the rear of your dwelling at the above address because we do not have enough information concerning the so called trugated plastic roofing material. Please provide us with a trade name of the plastic or fiber material. Please provide us with a trade name of the plastic or fiber glass raterial which you plan to use for roof covering. If this is to be glass raterial which you plan to use for roof covering. If the Barclites of the glass instead of a plantic material, it must be "Barclites" agual. or aqual.

Very truly yours,
