

611 Brighton Avenue

March 25, 1975

Dr. Dino Stavros
611 Brighton Ave.
Portland, Maine

Re: 611 Brighton Ave.

Dear Dr. Stavros:

After the winter months have passed and the snows are receding our inspectors occasionally notice problems of line fences, especially where a parking lot area may abut a fence line of another's property.

Such is the case which has come to my attention between your property and the fence next to 607 Brighton Ave. (a professional use next to a residential).

Snow plowing is often the problem which can cause fence and line property damage to shrubs etc., either yours or an abutters.

As you are the recent new owner of the property, I would like to request and suggest that you entertain the following in order to avoid the deteriorating effect of pressure from parked vehicles and the winter snow plowing problem against a fence.

1. Would you provide either a highway bumper guard along the fence line to keep vehicles from backing up to it.
2. On an annual basis would you instruct your snow plowing agent to plow in another direction or at an, rate contain the snow on your lot such that the fence line of the abutter's is not damaged by such snow pressure.

Your cooperation on this condition will be appreciated. If you have any questions, I'd appreciate hearing from you.

Very truly yours,

R. Lovell Brown
