Dear Ms. Snow:

Lynn Brady of Canfield Inc. has informed us that he will not go ahead with his addition on the rear of the building in the Rosemont Section of the City, but will try to re-locate his operation some place else. He asked to have retail sales and service in the B-1 Business District which was allowable, however, the Board raised the question of what type of a business would be involved. We would have asked him to give us all information on his business in detail, but now that he will not locate at this location, this information will not be brought to the Board at the next hearing. I will be on vacation at the next meeting, but Malcolm Ward will be there to answer any questions.

Sincerely,

A. Allan Soule
