March 2, 1927.

Mr. James W. Pitts
91 Bradley Street
Portland, Maine.

Dear Sir:-

Enclosed is the building permit covering the erection of a single family dwelling on lot #40 Caleb Street.

The location plan submitted with your application calls for a frame house without projections of any kind, such as piazzas, bay windows, steps etc, 21 feet by 23 feet. The house as shown is located in a lawful manner upon the lot, but you should bear in mind that if you propose anything in the way of projections such as front or rear piazzas, or porches, or bay windows which would project into the open spaces, indicated upon your plan, an application for deviation from the original permit must be applied for.

Yours truly,

Inspector of Buildings.

Mr. Warren C. MacDonald
Inspector of Buildings
Portland City Building
Portland, Maine

Dear Sir:-

Conforming with the Zoning System
of the City of Portland in regards to building laws,
will you kindly make a call at the new house in course
of construction at 90 Caleb Street as the house is
now ready for lathing.

Respectfully yours,

James H. Pitts
