CITY OF PORTLAND, MAINE
BUILDING & INSPECTION SERVICES

Date March 26, 1974

With relation to permit applied for to demolish a dwelling
at 1232 Congress St. it is unlawful
to commence demolition work until a permit has been issued from
this department.

Section 6 of the Ordinance for rodent and vermin control
provides: "It shall be unlawful to demolish any building or
structure unless provision is made for rodent and vermin
eradication. No permit for the demolition of a building or
structure shall be issued by the Building Inspection Department
until and unless provisions for rodent and vermin eradication
have been carried out under supervision of a pest control
operator registered with the Health Department.

The building permit for demolition cannot be issued until the
provisions of this section have been satisfied. It is the
obligation of owner or demolition contractor or both to take
up with the Health Department the matter of complying with this
section, being prepared to inform that department what registered
pest control operator is to be employed.
