February 3, 1964

TO WHOM IT MAY CONCERN:

The Board of Appeals will hold a public hearing in the Council Chamber at City Hall, Portland, Maine, on Thursday, February 13, 1964, at 4:00 p.m. to hear the appeal of Dr. Raymond L. Lebel requesting an exception to the Zoning Ordinance to permit construction of a two-story masonry building 50 feet by 84 feet for the housing of offices for doctors of medicine, dentistry, or osteopathy including accessory parking for twenty or more passenger cars and the erection of small identification signs on the front entrance canopy and in the front yard at 1328-1336 Congress Street, corner of Lassell Street.

This permit is presently not issuable because the proposed use is not allowable in the R-5 Residence Zone where the property is located unless authorized as a conditional use by the Board of Appeals under the provisions of Section 6-A-5d of the Ordinance.

This appeal is taken under Section 24 of the Zoning Ordinance which provides such permit may be granted only if the Board of Appeals finds that such use of the premises will not adversely affect property in the same zone or neighborhood and will not be contrary to the intent and purpose of the Zoning Ordinance.

All persons interested either for or against this appeal will be heard at the above time and place, this notice of required public hearing having been sent to the owners of property within 500 feet of the premises in question as required by Ordinance.
