This looks O.K. provided the temporary sign does not interfere with cars trying to patronize the bank. Existing setback in B-1 Business Zone is 15 feet minimum. Proposed 20' is O.K.

CITY OF PORTLAND, MAINE
IN THE BOARD OF APPEALS

SPACE AND BULK VARIANCE (OTHER THAN FOR DWELLING UNIT CONVERSIONS)

Shaw's Realty Co., owner of property at 1354 -1414 Congress Street
under the provisions of Section 602.24 C of the Zoning Ordinance of the City of

Portland, hereby respectfully petitions the Board of Appeals to permit:

erection of an 8'x44' attached sign with steady lighting 8' above the roof line of the bldg which is not issuable under the Zoning Ordinance because the proposed sign has an area of 352 sq. ft. which will bring the total area of signs on the premises in excess of 200 sq. ft. max. allowed. Sec. 602.16.4.a Also, the sign will be 8' above the roof instead of the 3' max. allowed by Sec. 602.16.4.a of the Ordinance pertaining to the B-1, Business Zone in which this property is located.

LEGAL BASIS OF APPEAL: Such permit may be granted only if the Board of Appeals finds that the conditions imposed by Section 602.24 C(3)(b)(1) of the Zoning Ordinance have been met. (See reverse side hereof for said conditions.)

Site Plan approval (is/is not) required by the Site Plan Ordinance. If site plan approval is required, a preliminary or final site plan is attached hereto as Exhibit A.

+ Alex E. Pava
APPELLANT
Shaw's Realty Co.

602.24 C(3)(b)(1) Space and Bulk Variances other than for Dwelling Unit Conversions:

- (a) The subject lot or parcel is exceptional as compared to other lots or parcels subject to the same provision by reason of unique physical condition, including irregularity, narrowness, shallowness, or substandard or marginal size; exceptional topographical features; and other extraordinary physical conditions peculiar to and inherent in the lot or parcel in question, which amount to more than a mere inconvenience to the owner.
- (b) The aforesaid unique physical condition existed at the time of the enactment of the provision from which a variance is sought or were created by natural forces or were the result of governmental action.
- (c) The carrying out of the strict letter of the provision from which a variance is sought would deprive the owner of the lot or parcel in question of substantial use and enjoyment of this property in the manner commonly enjoyed by owners of other lots or parcels subject to the same provision.
- (d) The hardship is not merely the inability of the owner or occupant to enjoy some special privilege or additional right not available to owners or occupants of other lots or parcels subject to the same provision.
- (e) Property in the same zone or neighborhood will not be adversely affected by the granting of the variance and the granting of the variance will not create conditions which would be detrimental to the public health or safety.

BUILDINGS AND BUILDING REGULATIONS

§ 6-18

"105.7.10 Appeals: Appeals from final decisions of the board may be taken to superior court pursuant to Rule 80B of the Maine Rules of Civil Procedure.

"105.7.11 Liberal construction of provisions: The provisions of sections 105.7 through 105.7.14 shall be applied by the board and liberally construed by any court so as to effectuate the purpose of preventing the unnecessary demolition of historically significant structures and contributory structures within historic districts.

"105.7.12 Applicability: The provisions of sections 105.7 through 105.7.14 shall apply to all proceedings pending on or after the date of their enactment and to any permits issued for the work not yet commenced on the effective date so as to prevent the loss of additional buildings which are part of the cultural heritage of Portland. Notwithstanding the provisions of section 105.7.3, a pending application for a demolition permit may be scheduled for approval by the board within ninety (90) days of the enactment of these provisions, if notice has been given to the persons entitled thereto pursuant to section 105.7.7 prior to the enactment of these provisions.

"105.7.13 Moratorium repealed: The moratorium on the demolition of structures of architecturally or historically significant structures located in historic districts be and hereby is repealed.

"105.7.14 Effective date: The provisions of sections 105.7 through 105.7.14 shall take effect immediately as an emergency, pursuant to article II, section 8 of the charter, in order to prevent the unnecessary loss of additional structures.

"105.8 Removal and disposal of demolition debris: Before a permit either to demolish or remove a structure or a part thereof or to remove or dispose of existing demolition debris, as defined herein, is issued, the applicant will satisfy the building official that:

- "1. All such debris will be removed from the island and transported to the mainland for disposal prior to the expiration of the permit;
- "2. The debris will be removed to a duly licensed disposal facility; and
- "3. The disposal of the debris at such facility will be in accordance with all applicable federal and state rules, statutes and regulations relating to the transportation and disposition of such material.

"105.8.1 Demolition debris: Demolition debris includes, but is not limited to, materials which are created by site preparation, clearing land or erection of a structure. It also includes, but is not limited to, brush, tree limbs, stumps; and building materials and the waste products of building activity, such as: clay, brick, masonry, concrete, plaster, glass, wood and wood products, asphalt, rubber, metal; and plumbing, electrical and heating fixtures, appurtenances thereto and parts thereof.

"105.8.2 No demolition debris shall either be disposed of or stored on any of the islands."

Dear Mr. Brockington,

Your application to make interior renovations as per plans has been reviewed and a permit is herewith issued subject to the following requirements:

Building and Fire Code Requirements

1. All exit signs, lights, and means of egress lighting shall be installed as per Article 8, sections and subsections 822 and 823 of the City's building code (BOCA 1990).
2. Portable fire extinguishers shall be provided as per N.F.P.A. 10.

If you have any questions regarding these requirements, please do not hesitate to contact this office.

Sincerely,

S. Samuel Hoffses
Chief of Inspection Services
