New owner
 M.S. Giard

The main body of the document is a large grid with multiple columns and rows, designed for detailed record-keeping. The grid lines are clearly visible, creating a structured layout for data entry. The text within the grid is mostly illegible due to the high contrast and angle of the scan. A large 'X' is drawn across the middle of the grid, indicating that the lower portion of the document may be unused or crossed out.

Department of Building Inspection
City Building
Portland, Maine

Gentlemen:

In regard to your letter of March 10, 1955, pertaining to the proposed dwellings at 2-6, 8-12, 14-16 Colonial Court, I wish to furnish you with this additional information, as follows,

1. All foundation wall will rest on undisturbed ground and there will be a minimum of four feet of back fill around all foundations.
2. On the basis of the sewer profile plan showing the amount of ledge encountered in Colonial Court, I do not expect to strike ledge in the foundation excavations.
3. A competent surveyor will survey the lots prior to the form inspections.

Very truly yours,
Arthur Cope
Arthur Cope,
Production Manger.

March 11, 1955

AP 2-6, 8-12, and 14-16 Colonial Court

The Minat Corporation
220 Cumberland Ave.

Gentlemen:-

Building permits for construction of three dwellings at the above location is issued herewith based on plans filed with applications and your letter of March 11, 1955, but subject to the following conditions:-

1. Before notices for inspection of forms and check of location are given prior to pouring concrete information is to be furnished as to the size of headers to be used across bay window openings.
2. By acceptance of permit you agree to use Douglas Fir lumber for 6x8 girders indicated since full size spruce or hemlock will not figure out.

Very truly yours,

Warren McDonald
Inspector of Buildings
