

A.P.- 24 Cobbert Road

June 19, 1967

Richard A. Norton  
24 Cobbert Road

Dear Mr. Norton:

Permit to construct 1-story frame building 7' x 12' at the above named location is being issued subject to plans received with application and in compliance with Building Code restrictions as follows:

1. Solid 4x6 inch sills shall be used instead of 4x4 inch sills asked for on application.
2. The 2x4 inch roof rafters shall be spaced not less than 12 inches on centers instead of 16 inches as called for on application.

Very truly yours,

A. Allan Soule  
Inspector II

September 8, 1958

AP-Lot 3 Cobbert Road

Mr. Munson I. Strout  
10 Helan Street

cc to: L. C. Andrew  
167 Brighton Avenue

Dear Mr. Strout:

We are unable on the basis of plot plan filed with application for permit to issue an advance permit for excavation and construction of foundation only for a proposed dwelling to be erected on Lot 3 Cobbert Road because a side yard distance of 6 feet is indicated instead of the minimum of 8 feet specified by Section 4-3-2 of the Zoning Ordinance applying to the R-3 Residence Zone in which the property is located. The off-street parking space is also shown as only 12 feet deep instead of the minimum depth of 18 feet specified by Section 26 of the Ordinance.

A revised plot plan showing compliance with Zoning Ordinance requirements before a permit can be issued, needs to be furnished.

Very truly yours,

AJS/sg
