Mr. C. P. Lanpher 11.35 Congress Street P. tland, Maine

Tear Sir:

On September 7th the Board of Municipal Officers sustained your appeal relating to establishment of a small retail grocery store at 1303 Congress Street subject to the condition that the appearance and arrangement of the building was to be satisfactory to the Board of Municipal Officers.

As soon as you have settled your plans, please come to this office and adjust the application which you have filed for the permit both as to location of the building, size of the building, and framing, foundation, etc., at which time we should be able to issue the permit promptly.

Very truly yours,

Inspector of Buildings.

Appeal to the Municipal Officers to Change the Decision of the
Inspector of Buildings Relating to the Property Owned
by C. P. Lampher at 1303 Congress Street

August 26,19 52

To the Municipal Officers:

Your appellant, C. P. Lanpher

Lessee
who is the Thurs of property at 1308 Congress Street

respectfully petitions the Municipal Officers of the City of Portland to change the decision of the Inspector of Buildings relating to this property, as provided by Section 13, Paragraph c of the Zoning Ordinance, on the ground that the enforcement of the ordinance in this case involves unnecessary hardship and because relief may be granted without substantially derogating from the intent and purpose of the Zoning Ordinance.

The decision of the Inspector of Buildings denies a permit to cor struct or move a one story retail store on or to these premises on the ground that such a use is non-conforming in the General Residence Zone where the property is located.

The reasons for the appeal are as follows: The appellant is desirous of establishing a small retail grocery store at this location under the impression that there is need for such a store in this neighborhood, and has the support of several neighboring property owners the agree with him that such a store is desirable to the community since the nearest store at present is considerable distance away.

The Committee on Zoning and Building Ordinance Appeals of the Board of Eunicipal Officers will hold a public hearing at Proc. 35, City Hall, Wednesday, August 31st at 12:15 P. N. (Laylight Time) upon the appeal of C. P. Lanpher who seeks the right to erect and establish a small rotail grocery store at 1303 Congress Street, which is a short distance east of the point where Brewer Street intersects Congress Street.
