RE: Dangerous Sidewalk Conditions
Garrison Hill Estates
Old Mast Road

Allied Construction
208 Fore Street
Portland, Maine 04101

Dear Sir:

My inspections in this area revealed the new sidewalk had caved in and that dangerous potholes are located in various locations.

It is necessary that you take immediate action to make repairs to eliminate the danger of persons falling or tripping that could result in a physical injury and a liability suit.

Should you have any questions, do not hesitate to call this office.

Sincerely,

Hugh Leving
Code Enforcement Officer
