Dear Ms. Shea:

Your application to construct a one story 18'x18' addition has been reviewed and a building permit has been issued subject to the following requirements:

1. All lot lines shall be clearly marked for the foundation inspection.
2. The space between the bottom of the floor joists and the earth under any building (except such space as is occupied by a basement or cellar) shall be provided with a sufficient number of ventilating openings through foundation walls or exterior walls to insure ample ventilation. The minimum net area of ventilation opening shall not be less than one (1) square foot for each one hundred fifty (150) square feet of crawl space area.

If you have any questions on these requirements, please call this office.

Sincerely,

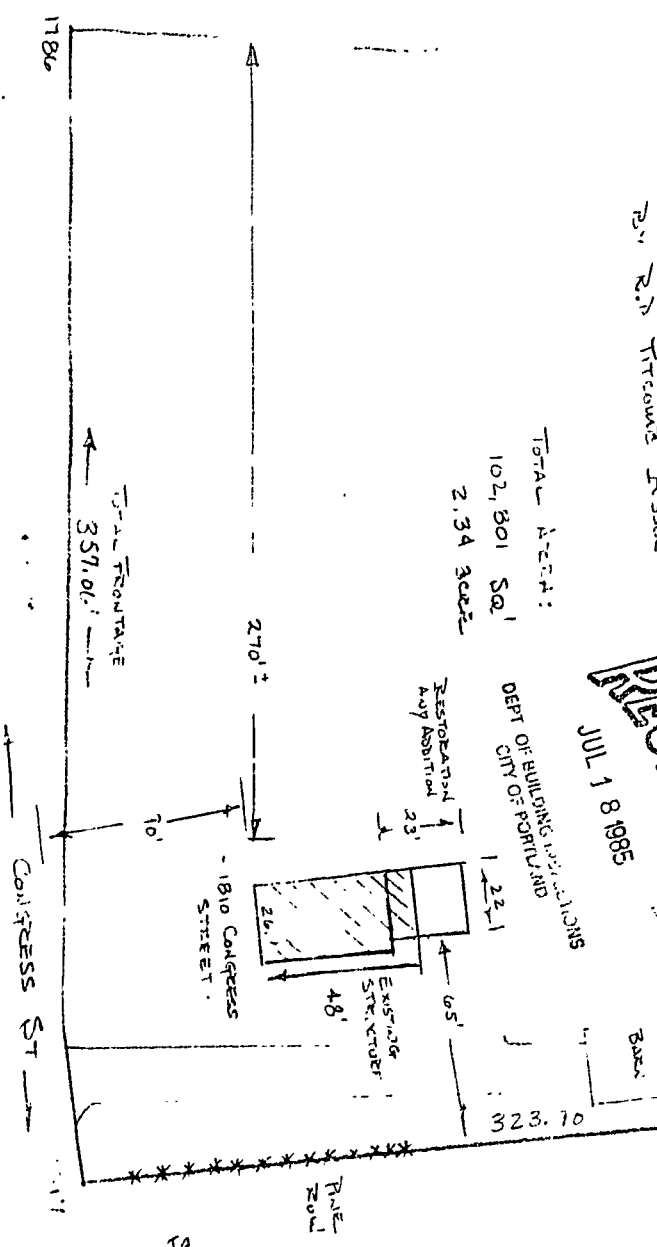

P. Samuel Hoffses
