Re: 363 Capisic St.

On 8-20-80 you were reminded to come into this office to take out a permit for the new deck you built on the side of your dwelling. As of now, you still have not applied. It will be necessary to come in for a permit immediately. At time of application, we will need framing plans and a plot plan.

A belated fee will be charged. If there is no action on your part within 10 days of the receipt of this letter to begin the permit procedure, it will be necessary for this department to take stricter enforcement measures. Failure to comply with the Building Code requirements can result in court action with fines up to \$1000. a day per day of violation.

If you have any questions regarding this matter, don't hesitate to contact this office.

Very truly yours,

Marge Schmuackal

On April 21, 1977, I made an inspection at the above location and spoke to you about the necessity of a permit for the large shed you started building. As of yet, no permit has been applied for. Please come to this office immediately with plans to apply for a permit. A belated fee must be charged.

On the same date I also notified you that the junk in the rear yard must be cleaned up. As of this date, I see no noticeable change in the situation. This area must be cleaned up within ten days.

If no application for the shed is applied for within ten days, this matter will be turned over to Corporation Counsel for any legal action.
