INSTRUCTIONS

First - The applicant is to complete this form. The City will refer this to the Public Works Department for review. If approved, the City will issue a permit for the installation of the submetering system. If not approved, the City will issue a notice of non-compliance. The City will not be responsible for the cost of the meter and meter box.

Second - Fill out this application form to:

City of Portland
 Dept. of Public Works *55 Portland St*
 555
 1000 NE Oregon Street, Portland, OR 97232

ATTN: MR. WILLIAM GIBSON

Third - The Public Works Department will call the person indicated on Form 1000 to schedule a pre-installation inspection. During this inspection, the Public Works Department will verify the location of the meter and meter box. If the inspection is approved, a permit will be issued. The City will be responsible for the cost of the meter and meter box. The City will be responsible for the cost of the meter and meter box.

Fourth - Upon receipt of a copy of the approved application, the applicant can purchase and install the submeter as approved. Following installation, the applicant or his plumber must call the Chief Plumbing Inspector at 725-5433. For an inspection of the completed installation. Following inspection by the Chief Plumbing Inspector, the water district will be requested to seal the submeter and approve it. Have an automatic meter seal system installed. The meter information is recorded on the permit form by the plumber will be created on the Sewer User Charges of the City.
