Portland, Maine 04102

Dear Mr. Rosen:

This will acknowledge receipt of your application for a building permit for a change of use from take out to eat-in restaurant with tables and chairs. Your establishment is located at 930 Brighton Avenue in the B-1 Business Zone, where restaurants with tables and chairs are considered to be conditional uses in that particular zone. A copy of the B-1 Business Zone as amended is enclosed with Section 14-16 thereof setting forth requirements which must be met before the Board of Appeals can grant approval:

"(1) Restaurants, provided they meet the following requirements:

- a. Maximum total floor area for use of the public of 1,000 square feet;
- b. The hours of operation limited to between 6 a.m. and 10 p.m. each day;
- c. Food service and consumption are the primary function of the restaurant; and
- d. No drive in or through service."

In addition, the requirements of Section 14-474 Conditional Uses would have to be met. These are listed on the reverse side of the Conditional Use Application, a copy of which is enclosed with this letter.

We understand that you may wish to file for a conditional use appeal to be reviewed by the Board of Appeals under the criteria indicated above. There is an appeal fee of \$50.00 plus publication costs. This office is unable to issue your building permit without Board of Appeals approval. Please advise
