Memorandum from Department of Building Inspection, Portland, Maine

AP - 23 Balfort Street

August 19, 1963

Mr. George Hamon,  
RFD #1,  
Gorham, Maine

cc to: Elsie Libby  
23 Balfort St.

Dear Mr. Hamon:

Permit to construct a one-story frame addition 12'x14' on right hand side of dwelling as per your application and plan is being issued subject to there being a concrete footing at least 8" in thickness and 19" in width under the 8" uniform concrete wall. Should you desire to use a uniform thickness wall without a footing then 10" is the minimum thickness.

Very truly yours,

Gerald E. Hayberry  
Deputy Director of  
Building Inspection

Mr. Alpha J. Gallant  
20 Belfort Street,  
Portland, Maine

Dear Sir:

You may consider this letter as a temporary certificate of occupancy for your dwelling house being converted for use as a garage to that of a dwelling house at 28-50 Belfort Street, so that you may legally occupy the building while the details are being finished.

When the essential details are completed, please notify this office for final inspection, where if everything is found in order, the regular and legal certificate of occupancy will be issued.

Very truly yours,

Inspector of Buildings
