Memorandum from Department of Building Inspection, Portland, Maine

A.P. - 151 Belfort St.

May 15, 1964

Mr. James M. Tirrell 151 Belfort Street

Dear Mr. Tirrell:

Fermit to demolish exists. platform on left hand side of dwelling and to construct an 8x10-foot addition as per plan received with application is being issued subject to our discussion as follows:

- 1. It is understood that the foundation is to be a 10-inch uniform wall rather than an 8-inch as shown, as this foundation is to become part of the house cellar.
- It is understood that there is to be no platform but just outside steps provided for entrance to this addition.
- 3. It is also understood that the cost is to be changed from \$300.00 to \$490.00.

Very 'ruly yours,

08_27
