Dear Mr. Hanson:

We are unable to issue a permit for construction of a single family dwelling 21 feet by 31½ at ~~58-60 Belfort Street~~ because the land on which it is to be erected consists of two 30 foot wide lots having a combined width of only 60 feet instead of the minimum width of 65 feet required by Section 4-1-8 of the Zoning Ordinance applying to the R-3 Residence Zone in which the property is located.

We understand you would like to exercise your appeal rights concerning this discrepancy. Accordingly we are certifying the case to the Corporation Counsel, at whose office the appeal should be filed.

Plot plan filed with this permit application is a surveyor's plan on which neither the location of the dwelling or the required parking space is shown. It is therefore necessary that well in advance of the public hearing a regular plot plan be furnished for checking against other Zoning Ordinance requirements.

Very truly yours,

March 27, 1958

Mr. Charles H. Hanson, owner of property at 111-115 West Commonwealth Drive, under revisions of Section 23 of the Zoning Ordinance of the City of Portland, hereby respectfully petitions the Board of Appeals to permit construction of a single family dwelling 21 feet by 31½ feet.
