Appeal to the Municipal Officers to Change the Decisi

Inspector of Buildings Relating to the Property O

by Alfred J. Burns, et al 102 Allen Avenue

May 11, 19 43

To the Municipal Officers:

Your appellant, Alfred J. Burns, et al

who is the Owner of property at 102 Allen Avenue

respectfully petitions the Municipal Officers of the City of Portland to change the decision of the Inspector of Buildings relating to this property, as provided by Section 13, Paragraph c, of the Zoning Ordinance, on the ground that the enforcement of the ordinance in this case involves unnecessary hardship and because relief may be granted without substantially derogating from the intent and purpose of the Zoning Ordinance.

The decision of the Inspector of Buildings denies the right to keep on these premises about twenty-five hens to be housed in the former tool house because such a use is not ordinarily permissible in the General Residence-O Zone where the property is located.

The reasons for the appeal are as follows: The appellant desires these hens for his own use in helping with the existing food situation, and feels that the keeping of these few hens will not be obnoxious or detrimental to the surrounding neighborhood.

Notice returned from-

Nathan E. Leach - 141 Allen Ave.  
Alfreda E. Leach - 166 Allen Ave.

PUBLIC HEARING ON THE APPEAL UNDER THE ZONING ORDINANCE OF ALFRED J. BURNS et al  
102 ALLEN AVENUE

May 28, 1943

A public hearing on the above appeal was held before the Committee on Zoning and Building Ordinance Appeals today. Present for the city were Chairman Libby, Councillors Berry, Harrison, Leighton, and Harry C. Libby, the Inspector of Buildings and the Corporation Counsel.

William Raftery one of the owners and the tenant in the building appeared in support of the appeal. He said that the lot was 50 feet by 100 feet and that he proposed to move a small tool house about 6 feet by 8 feet which was now inside the attached garage at the rear of the lot and provide a fenced-in run for the birds in the rear of the lot.

There were no opponents present.

Alfred J. Burns, et al  
c/o Mr. William Raftery  
102 Allen Avenue,  
Portland, Maine

Subject: Action on zoning appeal relating  
to keeping poultry at 102 Allen Avenue

Dear Sir:

On June 2, 1943, the Municipal Officers feeling that they could not sustain the above appeal under the limitation of the law which says that they shall not sustain an appeal if it departs substantially from the intent and purpose of the law, voted to deny your appeal.

Obviously the moving of the tool house and the use of the property in any way for keeping poultry is not allowable under those circumstances.

Very truly yours,

WMD/H.

Inspector of Buildings

, that the appeal under the zoning ordinance of Alfred J. Farris, et al. at 10<sup>1</sup>/<sub>2</sub> Allen Avenue, relating to relocation of a small building and keeping about 25 hens on the premises, contrary to the provisions of the ordinance in the General Residence-C Zone where the property is located, be denied.

Portland, Maine

Gentlemen:

The Committee on Zoning and Building Ordinance Appeals of the Municipal Officers will hold a public hearing at the Council Chamber, City Hall, on Friday, May 28, 1945, at 11 o'clock in the forenoon upon your appeal under the Zoning Ordinance relating to keeping poultry at 102 Allen Avenue.

Please be represented at this hearing in support of your appeal. Whoever comes to represent you should have with him a sketch showing the amount of land which you own, the outline of the property, the location of the dwelling house upon it and the present or proposed location of the so-called tool house with relation to the street line of Allen Avenue (the line dividing the public highway from private property) and the property lines outlining your lot.

May 18, 1943

To Whom It May Concern:

The Committee on Zoning and Building Ordinance Appeals of the Municipal Officers will hold a public hearing at the Council Chamber, City Hall on Friday, May 28, 1943 at 11 o'clock in the forenoon upon the appeal under the Zoning Law of Alfred J. Burns, et al, relating to keeping live poultry at 102 Allen Avenue.

The appellant proposes to keep about 25 hens on the property, housed in a former tool house existing on the lot, but such a use of land and building does not conform with the law in the General Residence-C Zone where the property is located.

The reasons stated for the appeal are as follows:

"The appellant desires these hens for his own use in helping with the existing food situation, and feels that the keeping of these few hens will not be obnoxious or detrimental to the surrounding neighborhood."

All persons interested either for or against this appeal will be heard at the above time and place, this notice of hearing having been sent to the owners of property within 500 feet of the premises in question as required by law.

Re: 94 Allen Avenue

Dear Mr. & Mrs. DeVilleneuve:

Your permit to install a 15' x 30 x 4' ~~in-ground~~ above pool at 94 Allen Avenue  
as per plans on file in this office, is being issued with the following  
requirement:

- (1) Section 627.9 Swimming pool safety devices: Every person owning land on which there is situated a swimming pool, which contains 24 inches or more of water depth at any point shall erect and maintain thereon an adequate enclosure either surrounding the property or pool area, sufficient to make such body of water inaccessible to small children. Such enclosure, including gates therein, must be not less than 4 feet above underlying ground. All gates must be self latching with latches placed 4 feet above underlying ground. All gates must be self latching with latches placed 4 feet above the underlying ground and otherwise made inaccessible from the outside to small children.

A natural barrier, hedge, pool cover or other protective device approved by the governing body may be used so long as the degree of protection afforded by the substituted devices or structures is not less than the protection afforded by the enclosure, gate and latch described herein.

- (2) Electrical and plumbing permits must be obtained.

If you have any questions on these requirements, please call this office.

Sincerely,
