Compt. 102 Allen Ave.—Question of keeping poultry
contrary to Zoning Ordinance

Edwin R. & Virginia B. Low
102 Allen Ave.

Dear Mr. & Mrs. Low:-

We have the report that you are keeping, and have been for two or three years, quite a number of live poultry on your lot at 102 Allen Ave. This property under the Zoning Ordinance lies in a Residence C Zone where, according to Section 16A of the Ordinance, the keeping of hens or other poultry is not allowable unless first authorized by the Board of Appeals after the usual appeal procedure.

When a violation of the Zoning Ordinance is found by this department we are directed to notify the Corporation Counsel of the City who is authorized and directed to compel compliance. As a practical matter we try to get such situations corrected without such recourse because most folks do not mean to violate the law and will correct the situation quickly when aware of a violation.

If the above is a fairly true statement of the situation, please notify this office by phone or by letter what steps you will take to correct the situation—this before April 12th. If you desire to talk with me personally about the matter, it would be best to phone or come to the office some afternoon other than Saturday.

It is to be borne in mind that no one has authority to authorize continuance of a violation of law, and nothing in this letter is to be taken as such authorization. However, if we can get a satisfactory adjustment of the matter before the above date it will not be necessary for us to involve the Legal Department.

Very truly yours,

Warren McDonald

RE: 102 Allen Avenue

Ms. Patricia F. Chandler
102 Allen Avenue
Portland, Maine 04103

Dear Ms. Chandler:

We understand that you are operating a day care facility called "family day care" serving six or fewer children in your residence at 102 Allen Avenue. If this is so, then you need to process a change of use for your residence, which is located within the R-5 Residence Zone.

In order to process your application for a change of use, we shall need to have a floor plan showing the rooms of your apartment, which are used for supervisory purposes of the children, the number of children supervised, and the proximity of these rooms to outside exits, and whether there is ample provision for off-street parking to permit the pick-up and drop-off of the children by their parents without creating a traffic problem in the area.

Please come to Room 315, City Hall, Portland, and make application for family day care as a change of use for your residence, submit the floor plan, and pay a change of use fee of \$25.00 if you wish to obtain approval of your use of your residence for a home occupation: family day care.

In the event you wish to accommodate more than six children, then you would require a conditional use appeal for a day care center through the Board of Appeals. The fee for this conditional use appeal is \$50.00, and complete plans would have to be furnished for such review.

Sincerely,

Warren J. Turner
