CITY OF PORTLAND, MAINE
DEPARTMENT OF BUILDING INSPECTION

August 5, 1958

Mrs. Glacys E Dole
1771 Washington Ave.
Portland Maine

Dear Madam:

With relation to permit applied for to demolish a building or portion of building at 1771 Washington Ave. it is unlawful to commence demolition work until a permit has been issued from this department.

Section 6 of the ordinance for rodent and vermin control provides: "It shall be unlawful to demolish any building or structure unless provision is made for rodent and vermin eradication. No permit for the demolition of a building or structure shall be issued by the Building Inspector until and unless provisions for rodent and vermin eradication have been carried out under supervision of a pest control operator registered with the Health Department.

The building permit for demolition cannot be issued until the provisions of this section have been satisfied. It is the obligation of owner or demolition contractor or both to take up with the Health Department the matter of complying with this section, being prepared to inform that department what registered pest control operator is to be employed.

Very truly yours,

W. A. McDonald

Inspector of Buildings

WMCD/H

Eradication of this building has been completed. *Edward C. Tolby*

Dear Mr. Murphy,

This is to notify you that your building permit issued June 21, 1988 has expired.

Any construction that this permit has been issued for must not start until a new permit has been applied for, or a variance of circumstances has been requested in writing and approved by the Chief of Inspection Services.

If you have any questions regarding this matter, please call 874-8300 Ext. 8702.

Sincerely,

Merlin Leary
