(COPY)

CITY OF PORTLAND, MAINE Department of Building Inspection

Certificate of Occupancy

LOCATION Lot 9 Brook Road

Issued to E. Woodard Payne

This is to certify that the building, premises, or part thereof, at the above location, built-should substantially to requirements of Zoning Ordinance and Building Code of the City, and is hereby approved for Portion of Building or Premises.

Approved Occupancy

Approved Occupancy

Limiting Conditions:

1-family dwelling and attached carport

This certificate supersedes certificate issued

Approved:

(Date)

Lot 9 Brock Road

March 31, 1964

E. Woodard Payne 71 Brook Road

Dear Mr. Payne:

Permit to construct a one story dwelling 24'8" x 40'8" with a carport 12' x 24'8" is being issued subject to the plans received with application and also subject to conditions of Zoning Ordinance and Building Code as follows:

All cracks in basement walls are to be taken care of in a satisfactory manner.

Somutubes for the posts of the carport are to be four feet? below grade and six inches above. Wooden posts shall be unchored securely to the sometubes with a steel pin.

Sonotubes are to be isolated from the concrete slab in the carport.

If the carport is ever enclosed it will be necessary to provide the wall of the house with fire-resistive material. The door to the carport would then be equipped with a self-closing solid core plywood door having a uniform thickness of one and three-quarters inches or with a self-closing door affording equal or better protection.

Very truly yours,

A. Allan Souls Field Inspector

MSim

Lots 8 & 9 Brook Road

Feb. 9, 1965

Carr & Langilla Gray Road Falmouth, Kaine co to: E. Weodard Payne 82 Brook Road ~

Centlemen:

Upon inspection of the above job on Feb. 8, 1965, the following omigations were found which prevent us from issuing the contificate of occupancy—required by law to be in possession of the owner before the building may be lawfully occupied:

No permits have been taken out for the installation of oil burners and heating systems at the above locations.

It is important that the above conditions be corrected before feb. 17, 1965 and that you notify this office of readiness for another inspection, so that, if all is found in order, the certificate of occupancy required by law may be issued.

If additional information relative to the above is desired, please whose Inspector Earle Smith at 774-8221, extension 236, any week day but Saturday between 8:00 and 8:30 %.

Very truly yours,

Barlo 9. Smith Field Inspector
