Dear Mrs. Pellenz:

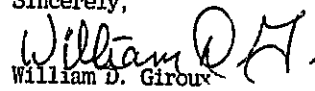

A permit was issued in July of 1979 for a change of use from single family dwelling to single family with hairdresser as a home occupation. Your use of the premises is authorized by the City, but we have had several complaints about the parking situation in your neighborhood.

In accordance with Section 14-410 Home Occupation, a copy of which is enclosed, please request your clients to park in your driveway insofar as is possible. Subparagraph f. of the Home Occupation Section of the Zoning Ordinance reads as follows:

"f. Any need for parking generated by the conduct of such home occupation shall be met off the street and other than in a required front yard."

We believe that if you will pass along this request to your customers, some of the parking problems may be alleviated. Thank you very much.

Sincerely,

William D. Giroux
