A. P. - 291 Auburn Street

August 7, 1968

Mr. Stanley R. Pride
291 Auburn Street
Portland, Maine

Dear Mr. Pride:

Permit to construct two car garage 20'x22' at the above named location is being issued subject to the following Building Code restrictions:

1. A permit can not be issued in the future if it is desired to rigidly connect the garage to the dwelling by a breezeway or otherwise as the dwelling has a foundation below frost whereas the garage will rest on a concrete slab that is subject to frost action.
2. Ties of at least 2x4 inch stock will be required at every third rafter at the plate level and hung in the center by a board to the rafters near the ridge board.

Very truly yours,

A. Allen Soule
Deputy Director of Building Inspection

AAS: ke

STATEMENT ACCOMPANYING APPLICATION FOR BUILDING PERMIT

for 2-car garage

at #291 Auburn St.

Date August 1, 1968

1. In whose name is the title of the property now recorded? Stanley R Fride
2. Are the boundaries of the property in the vicinity of the proposed work shown clearly on the ground, and how? yes-stakes
3. Is the outline of the proposed work now staked out upon the ground? yes
If not, will you notify the Inspection Office when the work is staked out and before any of the work is commenced? _____
4. What is to be maximum projection or overhang of eaves or drip? 6"
5. Do you assume full responsibility for the correctness of the location plan or statement of location filed with this application, and does it show the complete outline of the proposed work on the ground, including bay windows, porches and other projections? yes
6. Do you assume full responsibility for the correctness of all statements in the application concerning the sizes, design and use of the proposed building? yes
7. Do you understand that in case changes are proposed in the location of the work or in any of the details specified in the application that a revised plan and application must be submitted to this office before the changes are made? yes
