Mr. Claude L. Bartley
333 Auburn Street
Portland, Maine 04103

Dear Mr. Bartley:

Receipt is acknowledged of your proposed sunroom addition for the back of your residence at 333 Auburn Street in the R-3 Residence Zone. The rear yard setback according to Section 14-90 (4)b. of the Zoning Ordinance is 25 feet.

Your plot plan for the proposed sunroom shows only 24 feet for the rear yard setback beyond the proposed building addition. May we have a revised plot plan for your sunroom, or do you wish to petition the Board of Appeals for a variance to permit the 11 foot addition to be approved? As you may know, the basis of such variance requests is "undue hardship."

Sincerely,

Warren J. Turner
