APPLICATION FOR SUBMETER

For Sewer User Charge Adjustments

The undersigned hereby requests permission to install additional water meter(s) in accordance with Section 322 6C of the "Municipal Code of the City of Portland, Maine".

It is understood that all expenses related to the purchase, installation and maintenance of the meter(s) is to be borne by the applicant.

To be Completed by Applicant

Address where sub-meter is requested 92 Alice Road
CURTIS RD. (OFF PRESTVIEW)

Property owner name LOUIS + LINDA LAVOPA

Tax Map Reference (on Real Estate Tax Bill) _____

Property owner address Lot 58 CURTIS RD

Person to be contacted to schedule inspections OWNER 797-5969
(Name and Telephone Number)

Portland Water District Acct. No. (on bill) D-77-D 3662

Billing Name & Address (on bill) LOUIS LAVOPA
92 ALICE ST.

Location and size existing Portland Water District Service Meter 4" 5/8"
Basement - Front

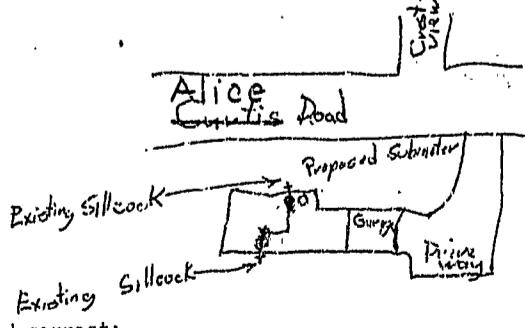

Proposed location and size of sub-meter 5/8" 0, Basement - Rear

Will a remote reading register be utilized? NO YES (If yes, state location Next to existing - outside)

Description of proposed changes in plumbing required for submetering:
cut in submeter and a new stop & waste and run new lines to other sillcock.

Sketch plan showing proposed changes in plumbing and the location of existing and proposed meters. Show water flow through submeter to non-discharge equipment or location (use additional sheet of paper if necessary).

The volume of water to be submetered can be shown to enter the sewerage system by use of its use for:
Swimming Pool, watering lawns, gardens, washing cars and other outside

I certify the above information is true and correct:
Louis Lavopa Signature MAR. 22, 1963 Date 6-18-82

INSTRUCTIONS

First - The applicant is to complete front of this form. The Tax Map Reference can be found on your Real Estate Tax Bill. The following name, name and address in the center of your property tax Bill. Billing name and address should be copied from your Water & Sewer Bill, as well as the Portland Water District Account Number which is in the upper left corner of the Water and Sewer Bill.

Second - Mail completed application form to:

City of Portland
Dept. of Public Works
404 City Hall
Portland, Maine 04201
ATTN: MR. WILLIAM GOODWIN

Third - The Public Works Department will call the person indicated on front side to schedule pre-installation inspection. During this inspection, the Public Works section of this form (below) will be completed. Following this inspection Public Works will make copies of the application form. If the application is approved, copies will be made, one will be mailed to the Portland Water District, one will be forwarded to the Chief Plumbing Inspector, and one will be mailed back to the Applicant. If the application is denied, one copy will be mailed and copied to the applicant showing reason for denial.

Fourth - Upon receipt of a copy of the approved application, the applicant can purchase and install the sub-meter as approved. Following installation on the applicant or his plumber must call the Chief Plumbing Inspector at 775-5451 Ext. 504 or an inspection of the complete installation. Following inspection by the Chief Plumbing Inspector, the Water District will be requested to seal the sub-meter and arrange to have an automatic reading system (if applicable - See General Information) installed where by the volume shown by the sub-meter will be credited on the Sewer User Charges of the Bill.

353

GENERAL INFORMATION

Section 322.6C of the "Municipal Code of the City of Portland, Maine" reads as follows:

"Submetering of Water Volume. Any person who feels that recorded water records are not a reliable index of his discharge volume may install an additional water meter of a type approved by the Director to measure the volume of water which can be shown not to enter the sewerage system. The person installing such a meter shall immediately notify the Director of such installation and shall be responsible to the Director for reporting meter readings not less often than every three months. Such person shall be credited with the volume charges for the volume shown by such meter, which meter shall be accessible for reading by the City or its agents at all reasonable times."

The City and the District have arranged to relieve the customer from the reporting responsibility required above if both meters can be read simultaneously by the District meter readers during their regularly scheduled visits to read the pre-existing service meter. This can be accomplished by locating the sub-meter directly adjacent to the pre-existing service meter or by equipping the sub-meter located elsewhere with a remote reading register located so both readings can be made at the same time.

Approved meters are, Naptime and Rockwell meters, conforming to the following specifications:

1. shall meet or exceed ANSI accuracy test requirements and be accompanied by a certificate of test accuracy
2. the meter shall have straight reading cubic foot registers
3. the meter shall have the meter number stamped into the metal
4. the meter shall be magnetic drive
5. shall have a fiber optic, disc or oscillating piston.
6. shall have a bronze case

Approved meters are available from the Water District, which sells them for the price the District buys them from the manufacturers. If you wish to purchase a sub-meter from the District you must bring your copy of an approved application with you at time of purchase.

TO BE COMPLETED BY PUBLIC WORKS

Pre-installation inspection by William G. Goodwin

on June 18, 1982

Automatic reading system requested YES NO

A Watts 7 inline back Flow Preventer or equal shall be installed inline

Application Approved Denied

Comments _____

TO BE COMPLETED BY THE PLUMBING INSPECTOR

An inspection of the completed installation of the submetering system approved on this application was conducted on 3-11-82 By Ernold R. Goodwin, Chief Plumbing Inspector of the City of Portland.

The submetering system was installed as approved.

No cross connections were found.

The installation is approved dis-approved Ernold Goodwin
