Dear Mr. Davis:

Building permit to close in and extend front porch 24' at the above named location is not issuable under the Zoning Ordinance because this addition would encroach unlawfully upon the 40 foot setback required by Sec. 602.21 applying to that part of Allen Avenue.

We understand that you would like to exercise your appeal rights in this matter. Accordingly you or your authorized representative should come to this office in Room 113, City Hall to file the appeal on forms which are available here. A fee of \$5.00 shall be paid at this office at the time the appeal is filed. If fee has been paid and appeal filed prior to this letter then consider this letter as a matter of formality.

Dear Mr. Davis,

Please notify this office if you intend to build the addition on the existing building at 357 Allen Avenue.

Then it will be necessary for you to reapply for a variance before the appeal board, and to acquire a new building permit.
