CITY OF PORTLAND, MAINE
DEPARTMENT OF BUILDING INSPECTION

August 6, 1973

With relation to permit applied for to demolish a garage
at 92 Virginia St. it is unlawful
to commence demolition work until a permit has been issued from
this department.

Section 6 of the Ordinance for rodent and vermin control
provides: "It shall be unlawful to demolish any building or
structure unless provision is made for rodent and vermin
eradication. No permit for the demolition of a building or
structure shall be issued by the Building Inspection Department
until and unless provisions for rodent and vermin eradication
have been carried out under supervision of a pest control
operator registered with the Health Department.

The building permit for demolition cannot be issued until the
provisions of this section have been satisfied. It is the
obligation of owner or demolition contractor or both to take
up with the Health Department the matter of complying with this
section, being prepared to inform that department what registered
pest control operator is to be employed.

Very truly yours,

R. Lovell Erown
Director

Memorandum from Department of Building Inspection, Portland, Maine

Re: 92 Virginia Street

Nov. 4, 1964

Freeman R. Etheridge, Jr.
92 Virginia Street

cc to: Harris Oil Company
202 Commercial Street

Dear Mr. Etheridge:

Upon inspection of the above job on Sept. 30, 1964, the following defect was found:

The end of vent pipe from oil tank ends under porch instead of outside in the open air. The vent pipe must terminate outside of porch and above the top of fill pipe.

It is important that correction of these conditions be made before Nov. 25, 1964, and notification given this office of readiness for another inspection.

If additional information relative to the above is desired, please phone Inspector Allan Soule at 774-5221, extension 236, any week day but Saturday between 8:00 and 8:30 A. M.

Very truly yours,

A. Allan Soule
Field Inspector

Cellar Beam in
Tighter flashing
around chimney at roof
G.T. 6/19/29 etc.
Not occupied at this
date 11/27/29

3/12/30
Front porch has
lifted.
Could not get in cellar
floor looks cracked in
several places
CBG
3/13/30
Cellar has evidently
been very wet but is
nearly dried out.
Near S.H. corner of
foundation cracked
inside, also numerous
cracks in floor at this
point.
Slight crack in
foundation in Rear
R.H. corner, floor has
a bad crack along
R.H.

Underpinning needs
some pointing inside,
2 places in front wall
can see daylight through
also side wall near
L.H. corner.

2'-2 $\frac{5}{8}$ " R.H. center | 2'-2" L.H. Center

2'-1 $\frac{1}{2}$ " R.H. front | 2'-0 $\frac{1}{4}$ " L.H. front

The above figures were
taken in the cellar
and may be due to
unevenness of floor
or underpinning, this
is very noticeable on
the 1st floor.

Heater is alright &
Bridging is nailed.

Alteration

A large, stylized, handwritten letter 'X' is drawn across the page. The 'X' is formed by two intersecting diagonal lines. The left line starts near the top left and extends towards the bottom right. The right line starts near the top right and extends towards the bottom left. The intersection point is located in the center of the page. The lines are drawn with a thick, dark ink or marker. The background of the page is white with faint horizontal lines, suggesting it might be a piece of lined paper. The overall appearance is that of a simple, bold graphic or a large letter being written on a document.
