APPLICATION FOR PERMIT TO REPAIR BUILDING

Third Class Building

JUL 24 1944

Portland, Maine, July 22, 1944

To the INSPECTOR OF BUILDINGS, PORTLAND, ME.
 The undersigned hereby applies for a permit to repair the following described building in accordance with the
 Laws of Maine, the Building Code of the City of Portland, and the following specifications:

Location 102 Arcadia Street Within fire limits? no Dist. No. _____
 Owner's name and address Solomon Markarian, 102 Arcadia Street Telephone 2-6217
 Contractor's name and address Owner Telephone _____
 Use of building Dwelling house 2 family
 No. stories 2 Style of roof _____ Type of present roof covering _____

Memorandum from Department of Building Inspection, Portland, Maine

102 Arcadia Street - Repair after fire in 2-family dwelling by and for Solomon Markarian - 7/24/44

To Owner. Wooden laths are too close to the smokepipe in the kitchen of second floor. It is necessary that these be cut off, the studs properly headed off, and a galvanized metal collar be provided from the face of the partition through to a snug fit to the masonry of the chimney, this collar to be no less than 12 inches in diameter and fastened in place securely so that the smoke pipe will always pass through the center of it. If there is not a metal thimble where the smoke pipe passes through the chimney wall, one should be provided.

Our inspector was unable to get in the first story, but if the same condition exists there, similar protection is required. Notify this office for inspection before this work is covered from view.

(Signed) Warren McDonald
 Inspector of Buildings
