NOTES

Nov 23/78

There has been complete confusion regarding the proper address regarding this property of construction.

I have talked this over with the Assessor's and it is agreed to file this under the Beechwood address:

The building has been completely inspected, when the contractor called for foundation map etc he always referred to it as Edgewood Ave. For sometime now the complete building staff thought the file for this construction was lost or misplaced, when this happened the policy is to give enough time its usually found etc etc. Oh its issue the C and G for the entire single family dwelling!

Dec 21/78 Issued C and G for the entire single family dwelling

Permit No. 2819235
